The petitioners seek implementation of the scheme of shifting an existing distribution transformer and other related works sanctioned through memo, dated 19.10.2005, by the second respondent.

The writ petition was listed 'for admission' on 15.02.2007. The learned standing counsel for the respondents took time to obtain instructions.

Today, the learned standing counsel for the respondents has placed a copy of the memo, dated 20.07.2006, issued by the first respondent. Through this memo, the first respondent cancelled the estimate/scheme sanctioned by the second respondent through memo, dated 19.10.2005. In view of this development, the petitioners have to work out their remedies vis-à-vis the memo, dated 20.07.2006, issued by the first respondent, if they are so advised. When the same was pointed out, the learned counsel for the petitioner sought permission of this Court to withdraw the writ petition, duly preserving the liberty to work out the remedies.

Permission is accorded and the writ petition is dismissed as withdrawn, leaving it open to the petitioners to assail the memo, dated 20.07.2006, issued by the first respondent. There shall be

no order as to costs.
